INCIDENT DETAILS

Date of Incident: January 29, 2026
Time: 6:15 AM
Location: Riverside Fitness Gym, Downtown Seattle
Type of Claim: Personal Injury – Slip and Fall

DESCRIPTION OF INCIDENT

While walking toward the locker room, I slipped on a wet floor that had no caution sign placed nearby. The fall caused immediate pain in my lower back and left ankle. A staff member assisted me and documented the incident. I was advised to seek medical attention as pain persisted.

INJURIES

I visited Evergreen Medical Center later that morning. Dr. Laura Kim examined me and ordered X-rays. Diagnosis: minor ankle sprain and soft-tissue inflammation in the lower back. Pain medication and a 7-day rest period were prescribed. Follow-up physiotherapy was recommended.

MEDICAL EXPENSES

- Emergency consultation: \$180
- X-rays (2 plates): \$120
- Pain medication and ankle support: \$65
- Recommended physiotherapy (3 sessions): \$210

Total Estimated Cost: \$575
